

TEMPSHIELD

CRYO-PRODUCTS™

TEMPSHIELD specializes in the development and manufacture of high-quality, cryogenic personal protective equipment (PPE) and apparel. A pioneer in the development of cryogenic safety apparel, Tempshield launched the first cryogenic glove in 1980. Made from the highest-quality state-of-the-art materials, our gloves allow for a maximum level of thermal protection, flexibility, and dexterity.

CRYO-APRON

Protection from Splashes and Contact Cold
Cryogenic aprons made by Tempshield provide a high-level of thermal protection to the torso and upper legs in harsh cryogenic atmospheres.

CRYO-GLOVES

Hand and Arm Protection When Working with Liquid Nitrogen
Waterproof Cryo-Gloves® made by Tempshield protect your hands and arms when working in hazardous, ultra-cold environments. Gloves are designed to provide a high level of thermal protection where the exposure to cryogenic fluids might exist.
